Retirement Villages Act 1999 (Section 74)

# This form is effective from 1 February 2019

# Name of village: Canossa Gardens Retirement Village

- The Retirement Villages Act 1999 requires a retirement village scheme operator to: •
  - provide a copy of the Village Comparison Document to a prospective resident of the retirement village within seven days of receiving a request
  - o include a copy of the Village Comparison Document with any promotional material given to a person, other than through a general distribution (e.g. mail-out)
  - o publish the Village Comparison Document on the village's website so that the document, or a link to it appears prominently on each page of the website that contains, or has a link to, marketing material for the village
- You can access a copy of this Village Comparison Document on the village website at www.canossa.org.au
- All amounts in this document are GST-inclusive, unless stated otherwise where that is permitted by law.

# Notice for prospective residents

Before you decide whether to live in a retirement village, you should:

- Seek independent legal advice about the retirement village contract there are different types of contracts and they can be complex
- Find out the financial commitments involved in particular, you should understand and consider ingoing costs, ongoing fees and charges (which can increase) and how much it will cost you when you leave the village permanently
- Consider any impacts to any pensions, rate subsidies and rebates you currently receive
- Consider what questions to ask the village manager before signing a contract
- Consider whether retirement village living provides the lifestyle that is right for you. Moving into a retirement village is very different to moving into a new house. It involves buying into a village with communal facilities where usually some of the costs of this lifestyle are deferred until you leave the village. These deferred costs when you leave your unit may be significant.
- Seek further information and advice to help with making a decision that is right for you. Some

### Part 11 – Exit fees – when you leave the village

A resident may have to pay an exit fee to the operator when they leave their unit or when the right to reside in their unit is sold. This is also referred to as a 'deferred management fee' (DMF).

	······································	
11.1 Do residents pay an exit fee when they permanently leave their unit?	<ul> <li>Yes – all residents pay an exit fee calculated using the same formula. Formula note: this exit fee formula applies to prospective residents only. The village operator reserves the right to vary this formula in the future at its discretion. Different formula may apply for existing residents' contracts)</li> <li>Other</li> </ul>	
If yes: list all exit fee options that may apply to new contracts	Exit fee is calculated as a percentage (set out below) of the ingoing contribution paid by the resident, according to the period between the resident's Agreed Date of Entry and Vacation Date ( <b>Licence Term</b> ).	
	In this document:	
	<b>Agreed Date of Entry</b> means the date on which the resident's licence of their unit will commence as set out in their Application for Residence. For simplicity, this document and any Prospective Costs Document given to you assume that your Agreed Date of Entry and your date of occupation of your unit are the same date.	
	Vacation Date means the date on which the resident has:	
	<ul> <li>(a) ceased to reside in their accommodation unit following termination of their right to reside in the Unit; and</li> <li>(b) removed all of their possessions from their accommodation unit; and</li> <li>(c) delivered all the keys to their accommodation unit to the village operator.</li> </ul>
